Thomas Vetterlein from Johannes Kepler University Linz, resigned from Editorial Board. He was journal Editor since the year 2010. We are grateful to him for his selfless service to the journal, and wish him all the best in his further endeavors.

Olga Rossi, the journal Editor-in-Chief for the years 2010-2018, passed away on October 2019, at the age of 59, after a prolonged battle with illness. She was instrumental in bringing the journal to the international level. We are planning to publish a detailed paper dedicated to her life and achievements in one of the forthcoming issues.
